5th Annual Creekside Hops & Vines Fest

Sept 22, 2018 from 6:00-11:00pm

Foundation: Mission & Background

Leading the community in partnership for parks and recreation, the Foundation is committed to conserving and improving the quality of Gahanna parks for current and future generations. Through our core focus on people, community, environment and legacy, we foster the needs of our citizens through accessible programs and high level services within human development, health and wellness, cultural unity and environmental resources. Our focus is on making Gahanna a great place to live, work and play.

What We Do:

- The Gahanna Parks & Recreation Foundation (GPRF) is a non-profit, 501c3 charitable organization guided by a committee of volunteers dedicated to benefitting Gahanna residents
- The Foundation was established in 2008 to help improve the quality of life in Gahanna by enhancing our parks, open space, recreation and leisure activities.
- Since our inception, we have brought in more than \$445,000 through community sponsorships, events and donations and have given back more than \$250,000 with an additional \$70,000 pledged in scholarships, park improvements, community partnerships and more

What is Creekside Hops & Vines Fest?

Creekside Hops & Vines Festival is our main fundraiser in which we help raise money for the Gahanna community. Attendees are able to enjoy Creekside Park while sampling the most popular beer, wine and liqueur from Ohio breweries, wineries and distilleries. The event features live entertainment and food provided by local area restaurants.

Help Us Meet our 2018 Goal!

The Gahanna Parks & Recreation Foundation is committed to raising \$30k for the Gahanna community through community sponsorships, ticket sales and day-of-event donations. With the help of Gahanna businesses, we feel we can achieve this goal. We appreciate your time and consideration.

- Date of event: September 22 from 6-11pm
- Attendees: Expected to have a sold out event with 950 attendees
